...Serving the Body of Christ by Identifying, Teaching, Training, Empowering, Mobilizing Intercessors ...

December 28, 2009

Dear Believer:

The God of all comfort and provision fill you with courage and boldness to walk in the fullness of His heart's desire for you.

The Lord has spoken to us at Shammah Prayer Ministries International that 2010 would be a year in which there would be an opening out before us. This is both personal and for the ministry. We are rejoicing in that word of promise and believe it to be coming from the Spirit of God as the Lord has had two of our overseers tell us very similar things independent of each other.

Since we have heard these things, we have also seen something this year as part of the Christmas season that is very encouraging. Without having sent out any more cards last year than usual, we received many cards this year from unexpected directions. Pat and I noted two things about these cards. Many were coming from people who were not necessarily strong believers and also that only about three of the cards were secular in nature. Almost all were distinctly Christian, celebrating the birth of Jesus Christ our Lord and Savior. In this the Lord was showing us the Body awakening in new ways and expressing a desire to draw together even though most are not yet consciously aware of that desire.

I believe 2010 will be an awesome year in the history of the world, but even more notable is that it will be a massive year of Kingdom harvest. The Body of Christ is rising to respond to the voice of the Spirit. There are voices of accusation rising. There are voices of doubt rising. Nevertheless, the Voice of the Spirit of Christ in the Church of the Living God shall be heard above them all. Jesus Christ, Lord, God, Savior, King; He is our life. Worthy is the Lamb of God, He will receive the fruit of His suffering.

As we move into 2010 I believe three things will be critical to understand. We must:

1. Slow down and clear the clutter of our lives so we can more clearly hear the Lord.
2. Focus on the things of God not just first, but exclusively, as we trust Him in all things.
3. Walk in faith and not be caught in the trap of the enemy to be drawn into fearfulness.

Let us pray that God manifest these things powerfully in His church as the Light of Christ shines ever more brightly in us.

I want to let you know of some changes we have made so that more information is available to more people. You can now share our Monthly Prayer Letter and Prayer Calendar by directing people to our updated website at: spmius.org. Our schedule for the year is also available there. On the Media Shows page there are two new video clips; one is to introduce Shammah Prayer Ministries International to Pastors and the other is for Intercessors. I hope these recent updates are a blessing to you.

Sincerely,
William W. Lumry, II
