...Serving the Body of Christ by Identifying, Teaching, Training, Empowering, Mobilizing Intercessors ...

July 27, 2007

Dear Believer:

The Call Corpus Christi on 07-07-07 was a powerful time of worship and intercession in the presence of the Lord. Between 250 and 300 people were present to seek and follow the leading of the Holy Spirit as several of our local pastors led us in a remarkable time of prayer. As people were leaving the question of "When shall we do this again?" was often heard.

Since the Call Corpus Christi some of us have continued to seek the direction of the Lord. The Holy Spirit has caused us to understand several things which sound simple but are very significant. First of all, Jesus is sufficient in all situations for all needs. It is vital to understand this because then we will seek no greater understanding where none could possibly exist. Jesus is the name above all names.

Second, without the Lord's strategy we are incapable of confronting the enemies of the kingdom or of accomplishing anything at all. As scripture says, "Without me you can do nothing." Without the insight of the Holy Spirit we are totally blind to the spiritual realm and at a complete loss as to what to do.

Third, each of us must be in our proper place to have the complete insight that is necessary to deal with the enemy the way our Father desires.

Fourth, God is mounting an offensive against enemy strongholds in our city. As this spiritual war begins to be evident, it will at first look like the enemy is attacking us, but God is at work in it. We will see a wave of the Holy Spirit which will continue to increase.

Fifth, the timing of God is at hand and He is requiring us to grow up. To individuals, fellowships, cities, indeed to the body of Christ in the earth God is saying, "Do not wait too long." We will no longer have the luxury of casually deciding if we are going to get involved. The Lord is compelling our involvement as He propels us forward into the fulfillment of Christ's kingdom in the earth.

Let us be asking the Father for understanding of His plans. Let us continue to join as one and truly pray, "Thy kingdom come. Thy will be done, in earth as in heaven."

Sincerely,
William W. Lumry, II
