...Serving the Body of Christ by Identifying, Teaching, Training,  
Empowering, Mobilizing Intercessors ...

August 23, 2007

Dear Believer:

What do the following things have in common? 1) Pure water being hauled into our city and given away free as a result of a boil notice? 2) A vision of a six year old kicking and screaming in a child seat of a shopping cart? 3) Pastors lying on the floor, crying in the presence of the Lord and praying together? What is the common factor? **All are the work of the Lord in our city within the last two weeks.**

On August 10<sup>th</sup> Pastors Luis Cabrera and Hector Gomez were joining their congregations together in a time of intercession for Corpus Christi when the Lord spoke to Pastor Gomez saying that He was going to bring a thirst for God to the city and He was going to do something in the natural realm to show what was happening in the spiritual realm. Shortly after that, even though it was near midnight and the A/C was running, the sanctuary became very hot and everyone began to be thirsty. At that time they thought that was the physical realm manifestation that the Lord had said He would do. Little did they know that the following Tuesday the whole city would go on water boil alert. Within a few days H.E.B. was giving away up to 5 gallons of water to those who needed it. *As scripture says in Isa 55:1 Ho, every one that is thirsty, come to the waters, and he that has no money; come, buy, and eat; yea, come, buy wine and milk without money and without price.* Is our God awesome or what?

August 21<sup>st</sup> the Lord gave one of the city's intercessors a vision of a six year old in a shopping cart child seat. He was laid back with arms flying, feet kicking, and was screaming to get his way. The father lifted the child out and firmly set him on his feet, took him by the hand and began to lead him where they needed to go. Notably, it was the father not the mother taking responsibility for correcting and leading the child. God is bringing our fathers (leaders) into full position to take us forward.

August 22<sup>nd</sup> several key pastors of our city were in a meeting sharing things they had been hearing from the Lord. Very quickly they began to realize that the Spirit of Christ was ministering the same thing to several of them on or around the same date even though they were miles apart and one was even out of the country when he heard what the Lord was saying. There is a growing friendship and commitment among our pastors. As one pastor said after the meeting, "This is a historic day."

Is the hand of God not obvious in these things? It is to me. The Lord is calling us to grow up and follow the leaders that He is leading as we move into a time of abundance. It will be abundance of grace, provision, protection, fruit, and harvest. Let us lay aside all hindrances, commit to follow after Christ, and join together to proclaim over Corpus Christi, "Be fruitful & multiply."

Steve Fry will be ministering in our city in October. **Mark you calendar now for Sunday, October 21<sup>st</sup>.** More details will follow soon. Remember to pray for the 3<sup>rd</sup> Annual Pastor's Prayer Retreat October 22, 2007. Thank you for your generous financial support that allows us to serve. In September let us join Mayor Henry Garrett, pastors, and men and women of faith for:
