*...Serving the Body of Christ by Identifying, Teaching, Training, Empowering, Mobilizing Intercessors ...*

January 27, 2010

Dear Believer:

May the Lord God who is our song in the night grant you peace in all of your ways that you might show forth His grace to all.

Recently as I was driving to a luncheon meeting, the Lord spoke to me and said, "William, the breakthrough is near." At that meeting the Mayor of Corpus Christ introduced a video of our city by saying that as far as he knew "In God we trust" was still the motto of our nation. He further declared as his belief that what was missing from much that we try to accomplish is a proper acknowledgement of this truth.

There is something happening here that is different to almost any other place in the world today, and yet it is the same. The atmosphere of this city is different; it has changed. There is a growing strength as well as a growing understanding and living out of the "unity of the Spirit in the bond of peace" in the Body of Christ that resides here. The leadership of this city, more than at any time in the past, is walking together in love; preferring others more than themselves; and corporately seeking the heart of God for His desire for themselves as leaders and for the city as a whole.

The Lord has said at various times, in various ways that this city shall live up to its name and that people will come from all over the world to see what the church is supposed to look like. We are seeing the early stages of the manifestation of that promise. What is heard from the Lord and spoken to the church here is a message that is heard only in a few other places as yet. It is a Word of preparation, a Word of strength, a Word of holiness, a Word of provision, a Word of covering and protection. It is a Word of warfare won by submission to the will of the Father. I am hearing this "Word" in the voices of pastors, city leaders, key ministry leaders, civil servants, news media and ordinary people. Sometimes, even often, they may not realize what they are speaking, but for those who have ears to hear it is a glorious Word of promise which is in process of fulfillment. We are on a path in the timing of the Lord that shall not be diverted. The glory of the Lord is about to be seen in our city and region in a way that will make men stand frozen in awe.

As we move forward diligence is necessary to not give place to the devil by harsh words of anger, gossip, or slander that hinder our growth. Let us submit to God, lay aside every sin and weight that slows us down in our maturity and run forward as fast as we can into the wonderful things our Father has planned for us. We are indeed one in the Spirit. One Spirit has baptized us into Christ and the only real option is to grow up into the fullness of the stature of Christ. One church, one faith, one bread, one baptism, one Father who is above all, in all and through us all.

Praise the Lord for all that He is doing in this city to bring glory to His great name.

Pray that God continue to advance the kingdom by blending the leadership of this city into a cohesive unit.

Pray that the Lord will bring together the intercessory ministry into the same kind of cohesive unit.

Pray for the cutting off of a spirit of assassination which is out to slander and destroy believers.

Pray for the Lord to pour out a Spirit of Repentance, a Spirit of Holiness, a Spirit of Love.

Sincerely,

William W. Lumry, II
