*...Serving the Body of Christ by Identifying, Teaching, Training, Empowering, Mobilizing Intercessors ...*

February 23, 2010

Dear Believer:

May the Lord the God of all comfort fill you with peace as your eyes are continually opened to see His wonders of grace.

It seems this month that the leading of the Lord is to truly keep things very simple. Therefore there will not be a lot of explanation here, but rather a basic setting forth of what we see, know and understand for this month.

There is a very strong push of a Spirit of Anarchy or as some would say an Anti-Christ spirit as well as a Spirit of Perversion. These are attempting to fight back against the truth of God which is being more and more powerfully proclaimed from the pulpits of our city and indeed the region. Political correctness and compromise in the church has led to the perversion of generations of our youth. The enemy is fighting to keep back the tide of truth that is rising to free them and others from the wilderness of confusion that causes their thoughts to be an almost inescapable labyrinth. The prayer directions here are simple, straight forward key elements to overcome this attack.

- **Pray that God grant a spirit of repentance for any compromise He reveals in our own lives.**
- **Pray for the Lord to pour out upon us and this region a Spirit of Holiness to cleanse and purify our hearts from perversion in any form.**
- **Pray for the Lord to pour out the Spirit of Christ upon our hearts and the hearts of the lost to draw us more closely to His own heart.**
- **Pray for the empowerment to speak the truth in love in all things.**

Sincerely,  
William W. Lumry, II

PS: We have some very important needs, local and elsewhere, that must be met. These even include lights, housing and food. Even as things have become tighter for us personally, this ministry has been able to continue to support those who depend on us as the source God uses to keep their ministry going in their own country. Do not just cast your seed to the wind nor eat it. Plant it in good ground. Shammah Prayer Ministries is good ground, but whether it is here or elsewhere plant for the harvest of God to come forth. Indeed the Word says we should sow bountifully. Remember the day is coming and is even at hand where the reaper shall over take the sower. Help us remain faithful by being faithful to give.
